Dear Ann,

I am writing to say thank you so much for the care & kindness Mum received from everyone at Winslow House. She was very happy with you.

I especially appreciate the support & dedication from Jean, Liz & all the girls during Mum's final illness - both to Mum & also to myself. It made a very difficult time bearable & I am deeply grateful.

Please pass my thanks to all of them - without exception they were outstanding.

With kindest regards

Lyn Clarterfield.
