

11. V. 2009.

Dear Jean,

I am sorry to hear that
Don Arthur has died - though I suspect
he was ready to go.

However you and your wonderful
Staff gave him some wonderful years -
and he of course contributed greatly
to the life of Winton House with his
positive attitude to life, his great
sense of humour and his laugh
and wonderful smile.

Don was a very special, and
rare man - so appreciative of
what was done for him -

He will be missed by many of us

But our memories of him will last a long time - he had to much to give that was of the essence of what it is to be truly human.

I am only sorry I was out of the County when he went into hospital and so was not able to visit him before he died, and indeed we will miss his funeral as we are out of the County on Thursday. However we will be thinking of you all then -

And indeed I think of you, and those work with you, often as I recognise and honour all that you do so superbly at Winstow House to enhance the quality of life for those in your love and care in their last years of life. You are great!

With my very best wishes, and prayers,
Michael
