We enclose a cheque for £250 on behalf of the family of Patricia M N Finch, who died on 26 June 2007 in her 97th year. This donation is in recognition of the excellent care she received at the Winslow House Residential Care Home, Nailsworth, Gloucestershire, where she spent the last few years of her life.

We would like to mention especially the very kind and sympathetic care and attention shown to her by all the staff of Winslow House during the most difficult closing weeks of her life. No expense, effort and time was spared in meeting all her needs and making her comfortable in every possible way, thus helping her close family cope and come to terms with the most stressful situation they encountered on their visits to their mother during the final days of her life.

With grateful thanks

Malcolm Finch (Son)
Carol Purvis and Kaye Thorne (Daughters)
